Schedule Based on MST***

April 5-8, 2022

Exhibitor/Vendor Overview

General Information:

For purposes of this document, exhibitors and vendors will be referred to as vendors.

Location:

Virtual- live presentations
Schedule based on MST

Vendor Presentations:

Following each lecture there is a 5-minute vendor presentation followed by a 10-minute break. The vendor presentations will be live. Each of you will be scheduled for your presentation via zoom. You will receive a zoom meeting invitation with a unique passcode for you.

There will be a list of vendors and sponsors on the website with your contact information. You should have provided this information with your vendor agreement sent to Shirley Terry previously.

Once the agenda is finalized, it will be sent out with dates and times so you can choose what is most convenient for you. This vendor presentation is not mandatory, but it will provide you with an avenue to speak to the attendees directly just like previous in-person conferences.

If you have paid for both conferences, you will be able to conduct a vendor presentation at both conferences since some of the attendees may be different for each conference.

Vendor Agreements:

Please complete the vendor agreement and return it to Shirley Terry.

Vendor Product Information:

If you have a one-page document or general information about your product that you want Shirley Terry to send to the attendees, please make that available to her two weeks prior to the conferences.

Feel free to contact Shirley Terry with questions. Please make checks payable to Mile-High RETAC Foundation. Please return forms and checks to the address below:
