

## FREE Amber Access

The future of EMS hinges on the CMS Ground Ambulance Cost Data Collection process. **Amber**, a cost collection tool, helps EMS agencies collect and verify their cost collection data before submitting it to CMS.

Sponsored by The Savvik Foundation, the American Ambulance Association is providing **FREE** access to Amber for all EMS services, regardless of type and size.

Along with Amber access, services will receive a 1-year AAA membership\*, including all Ambulance Cost Education materials, access to the AAA's cost collection experts, the AAA Accounting Manual, and all other member benefits.

To request your FREE access, visit [ems.zone/acegrant](https://ems.zone/acegrant)

*\*new members only, restrictions apply*
